

PET SHIPPING

1. While traveling on orders (Official Travel) shipment of pets is not an entitlement. Therefore you will have to pay for the shipping (Not reimburseable).
2. The following information is needed for the reservation:
 - a. Species (dogs/cats only)
 - b. Weight (actual weight, including kennel)
 - c. Size/dimensions of kennel
3. Passenger must provide an international air transport approved container for pet shipment. They are available at many exchange/retail stores. Kennel must be large enough for the animal to stand up, turn around, and lie down with normal posture and body movements. Several layers of newspaper, shredded paper, or absorbent material should be placed in the bottom of the container. Do not use straw, hay, grass, sawdust, or soil.
4. Passenger should feed their animals very lightly and provide a drink before turning them in for shipment.
5. Please ensure containers have adequate ventilation and pets are free of respiratory problems.
6. Females with suckling young and unweaned puppies will not be accepted for carriage. Weaned puppies younger than 8 weeks old should not be shipped due to possible dehydration.
7. Upon turning pets in, passengers must be present:
 - a. **DD Form 2208** Rabies Vaccination Certificate or civilian equivalents (dogs only).
 - b. **DD Form 2209** Veterinary Health Certificate.
